

NOTICE ENVELOPE PREPARATION INSTRUCTIONS

for Type I Project Permits (adjacent notification radius)

STEP 1:

- Get current copies of Spokane County Assessor's Maps for the project area and take these map(s) to any local Title Company for a title search of property owners and taxpayers, if different than the property owners, whose property is adjacent to or within a one hundred fifty (150) foot radius of the perimeter of the subject site, whichever is greater, including any access easement(s) serving said site.
- In those instances where any portion of the property abutting the subject site is owned, controlled, or under option by the applicant or his representative, then the adjacent notification radius shall be based on the total ownership, including the abutting, controlled property. The site and adjoining ownership shall be shown on the Assessor's map(s).
- Property owners and taxpayers are those shown on the Spokane County Assessor's/ Treasurer's most current computer records obtained by the applicant from a title company no more than thirty (30) calendar days prior to the issuance of the Notice of Application.

STEP 2

- Utilizing the addresses obtained in STEP 1, prepare a stamped envelope, No. 97 - 10 x 13 size envelope (see attached sample and instructions) for each property owner and tax payer on the list provided to you by the title company.
- We will put the City's return address on the envelopes when you return them. The notification shall consist only of information approved and provided by P&CD and envelopes shall be prepared by the applicant, but not sealed.
- These envelopes will be mailed 1st Class Mail, NOT CERTIFIED, and the amount of postage will be determined by the Planning & Community Development Dept (please contact P&CD at 755-6708 to find out what your postage amount will be).
- Additionally, when there are no addresses shown in the official records, use the most current telephone directory to try and determine a valid address.
- The applicant shall also prepare envelopes for agencies with jurisdiction, as directed by P&CD.
- Completed envelopes shall be given to P&CD at time of application submittal.

NOTE:

The applicant is responsible for verifying the completeness of the Title Company's ownership list against the Assessor's map(s) and must certify the same.

STEP 3

- Return the Title Company address list, the stamped envelopes, the assessor's maps, and the signed Title Company & Applicant Certifications to the City of Liberty Lake Planning & Community Development Dept.
- The City will then mail out the Notice of Application and sign an affidavit of mailing.

PREPARATION OF ADJACENT PROPERTY OWNER ENVELOPES

All addresses of each property owner and each taxpayer must be placed on a 10" x 13" (#97) stamped envelope for each tax parcel number that is adjacent to the application property (or contiguous ownership/interest). Do not include a return address. See examples below.

If the tax parcel shows two separate individuals and/or different addresses, then an addressed envelope for each is required. We are required to mail a notice to each different individual and each different address. If the same individual has two or more addresses on the Assessor/Treasurer record, then each address needs to be placed on an envelope.

You do not need to prepare separate addressed envelopes if the name and address is identical. However, each tax parcel number must be listed on the single addressed envelope if more than one tax parcel is involved with an identical name and address.
